

Dear Sir/Madam:

Today cheerleading is recognized as a sport in almost every state in the nation, including Georgia. Athletes in cheerleading compete nationally and train for many hours each week, much the same as competitive gymnasts. Today's competitive cheerleaders must be skilled gymnasts and perform acrobatic feats that require extreme flexibility, strength and agility. Many all-star and collegiate team competitions are broadcast on national television. Top athletes receive college scholarships.

S.A.B.C., Inc. is a non-profit booster club that supports The Stingray All-stars of Marietta, GA. The Stingray All-stars comprise a group of nineteen competitive teams, a total of more than 500 athletes, between the ages of five and twenty-five. These athletes compete year round at local, regional and national competitions. In three short years, The Stingray All-stars have captured numerous regional and over 465 National Championship Titles!

The Stingray All-stars are not affiliated with any school and receive no funding to assist in their competitive endeavors. Therefore, to assist in offsetting the extremely high costs of training, travel, and competition fees. All-stars seek support in the form of corporate sponsorships and fund-raisers. I am writing to you today to invite your company to participate as corporate sponsor for our all-star.

You may sponsor any amount. Sponsorships of \$300.00 or more are eligible to receive a corporate sponsor plaque. All corporate sponsorships are a tax -deductible expense to the sponsoring company. If you wish to participate, complete and return the form below. Make check payable to S. A. B. C., Inc.

Thank you in advance for your generous support.

Sincerely,

Stingray All-stars.
